Mr. W. A. "Pete" Wilder,
129 East Carbarus Street,
Raleigh, North Carolina.

Dear "Pete":

Please pardon my delay in answering your letters,
but I have been trying to see if we could work anything out.

You said first of all that you wanted to come North
and you wanted another team to come South. All our League
teams are booked up solidly so far as I can learn, and will
not be able to come into North Carolina before the end of the
season. As to you coming North, I would suggest that you
write Bill Iaschner, World Building, c/o Nat Strong, New
York City, N. Y.

Be sure you know what you are doing before you come
North. Living expenses in this neighborhood are pretty high,
and the receipts might not warrant the travel. About "Mule"
Buffalos, he is not with them any longer. If I get any infor-
mation that I think will interest you, I will write you again.

Very truly yours,
